

Exchange of interface.

1. You need to pay for new interface + shipping

2. You need to send us serial number (SNxxxxxx) and HASH number (tools/Show license/Copy hash to clipboard) of the old tool. We will rewrite licenses from old tool to the new one and send you new device. Please note, that new interface will be working temporarily during 2 weeks

3. Within 2 weeks you need to send us back your old interface BY DHL ONLY.

**Any shipments from other countries than EU - you have to send us mainboard only (without multiplexer and cover)**

WE DO NOT ACCEPT SHIPMENTS BY POST FROM OTHER COUNTRIES THAN EU.

**Caution! Parcel has to be sent for private address with no value, not for company !!!**

Adress: Mirosław Dudek

Młynarska 13AB/3

64-920 Piła

phone +48 730 171 790

4. After receiving your old tool, we will remove temporary blockade from your interface.
